Quick Guides For Professional Facility Managers

By Michel Theriault

**Get Results.
Get Attention.
Get Ahead.**

Print, punch and keep in a 1/2" binder. Add new Quick Guides as they are released.

About Quick Guides

Quick Guides provide condensed, key information on important topics that enable Facility Managers and Property Managers to quickly implement improvements and get results. They are based on our experience, workshops, articles and other material and specially written and formatted in one page.

Quick Guides have been developed by Michel Theriault, Principal of Strategic Advisor, an FM Consulting and Advisory firm.

The Quick Guide series is being released periodically by Free Subscription. Subscribe at StrategicAdvisor.ca to start receiving them automatically by email.
